# Our Inaugural Golf Open

On October 11th, the Rivertowns Chamber of Commerce hosts its inaugural golf tournament at the beautiful Saint Andrew's Golf Club in Hastings-on-Hudson to fundraise for the Chamber and its participating Chamber members.

A classic golf tournament with a modern twist— pulling in a mix of Rivertowns Residents, Business owners and Hudson Valley Professionals, the day is perfect for golfers and non-golfers alike. For those who relish a day on the course, a beautiful 18-hole course with various challenges and treats along the way await your round while non-golfers are invited to the “19th Hole” for friendly competition and casual lawn games. When the games conclude, everyone will head to the cocktail party for networking and awards.

Cash prizes for top golfers and 19th Hole participants, plus a prize for the second-to-last place (you don't have to be good to win at this tournament!), and other fun opportunities for post-game bragging rights.
